[...] As an artist, I love love LOVE the art in this book, I think its not only beautiful, but perfect for children. My son spent a lot of time just studying every colorful page. We read it twice in the first sitting because he was so happy! He's not yet 1, so getting him to sit still for story time is tough, and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages. I highly recommend this book :) Get it get it get it!" • "Customer Review "Written in a very simple way but with a profound message for both adults and kids." • "Customer Review "I LOVED it. Lots of repetition to help 'lil ones get used to structure and words! Many different words being used to help them improve their vocabulary (or pick the best word!). Most importantly, it sends a good message about how being unique and different is good. I STRONGLY suggest you check this book out!" • "ESLCarissa.blogspot.com "readers will emerge from this book feeling slightly more confident about themselves • "whatever their size." • "ForeWord Clarion Reviews Tags: Bilingual Children's Books, Bilingual Books, Emergent Bilingual, Bilingual Education, Foreign Language Learning, ESL, English as a Second Language, ESL for Children, ESL for Kids, ESL Teaching Materials, EFL, English as a Foreign Language, EFL Books, EFL for Children, ELL, English Language Learner, EAL, English as an Additional Language, Children's Picture Book, Dual Language, Foreign Language Study, ESOL, English for Speakers of Other Languages

What a clever idea for communicating self worth. My three year olds love it and the story's concept will grow with them for several years to come making it a keeper. Being a bilingual family the English /Arabic is great for everyone. The illustrations are very cute.

Don't buy if you plan to use this for second language speaker this is written in standard Arabic and not easy for non Arabic speakers to understand easily ! This could be good for older kids not 4-5 year olds

perfect this was exactly what I was looking for to learn more words I like how simple it is to read and understand

I'm trying to raise my baby speaking both Arabic and English and I love the words this book teaches.

For the cost of the book, I was expecting a hard cover book. This book is the size and feel of a coloring book, very flimsy and paper thin! My 7 month old daughter loves to have books read to her but also grabs at the pages. On the plus side, I absolutely loved the illustrations and the story was cute.

Great repetitive use of words to aid in word recognition. Also, great use of increasing levels of extremes of the small and big adjective for ease in recognizing their appropriate use.

Lovely bookMy daughter is really small for her age and this book was great " First grade "

Kindle version has very small writing. The price is right, though. I just end up zooming in and out a lot.
