Synopsis

Kentucky Rich Nealy Coleman is no longer the troubled teenager who slipped away from home thirty years ago with her illegitimate child. She's now rich, sophisticated and renowned in the racing world. And she's come back to SunStar, her family's thoroughbred horse farm to confront the secrets of her past. Nealy's shocking return will change everything for her two brothers; for her daughter, Emmie; and for all the Thorntons and Colemans who have connections to SunStar. As the truth about her family is revealed, Nealy will find herself faced with the greatest challenges of her life—challenges that will test her courage in unexpected ways and reveal what is truly important. Kentucky Heat With Nealy, horses come first. So when her two grown children's irresponsible acts nearly cost her Shufly, the foal that carries all of her hopes for the Triple Crown, she throws them both off Blue Diamond Farm, an action that changes their future—and her own. To the world, Nealy looks unbreakable. Inside, her heart has shattered. Estranged from her daughter Emmie and son Nick, she struggles alone to build her racing stables into the best in Kentucky—and Shufly into the horse of the century. When Hatch Littletree, her ex-husband's law partner, pays an unexpected visit, he brings Nealy much-needed comfort. But he also brings turmoil. A tough Native American and a brilliant attorney, Hatch is determined to see Nealy heal the painful rift with her children. He's also a man Nealy cannot resist. Raw with emotion, and yet filled with unstoppable energy, Nealy will stand strong in the face of bitter disappointments and one night of terror that could mean the end of her dreams...and maybe her life. Kentucky Sunrise This novel finds Nealy once again hellbent on producing a Derby winner and on showing the world that she's not a quitter. Newly married to lawyer Hatch Littletree, and with her daughter Emmie running the family's famous stables, Blue Diamond Farms, Nealy should finally be content. But returning to Blue Diamond Farms for a family reunion sends Nealy reeling. Emmie has let the farm slide, and she has picked a small, gutsy colt to send to the Derby—a nice horse, but clearly the wrong one. Suddenly Nealy is back in the game, ready to prove she's not too old to back a winner—even if it means taking on another colt as her personal project. Nealy's determined not to let Emmie's poor judgment undermine the reputation of the business she worked so hard to build. But the damage to her relationship with her daughter may be irreparable, until a stranger walks into her life, holding out the promise of hope for the future.

Customer Reviews

I found this book series to be interesting, not too distracting and easy to listen to while driving to work and home.

I really enjoyed listening to this series. It is the last of the series written by Fern Michales. The Texas and Vegas are also great listening.

I enjoyed all the books! They were entertaining! I recommend Fern Michaels books as well as Nora Roberts! I will be looking for more!

This was a fantastic read!
