Customer Reviews

What a wonderful story! I became so caught up with their sister-in-law Ruthie I actually caught

myself rooting for the three sisters to put her in her place, lol. I am looking forward to book 2. Keep up the great stories.

I gave the book Mellie's Sweet Shop five stars. It was good and held my interest. I don't usually read series and I was disappointed that I would have to read two more books to reach the conclusion of the story. I'm sure the next two books will equally as good and I am looking forward to reading them tomorrow.

I'm anxious to see what happens to Mellie's and Caleb's friendship. I wonder if Beth will be happy as a teacher.

Read the book it show how people put work before love and how the come together when someone is sick

Very well written story about 2 sisters who love the same man. Eagerly waiting for second book.

A beautiful story to read

This was a good short story, but left the reader guessing and dissatisfied! I am tired of stories that are never finished!T
