Samantha Rite is in desperate need of a vacation. Her life is shattered when after 21 years of marriage, her husband walks out on her, leaving her for another woman. As Sam is trying to pick up the pieces and start over, her family decides now would be the perfect time for her to take a relaxing vacation. Before she can change her mind, she and her older sister are booked on a week-long Caribbean cruise. Just days before the trip, her sister is involved in a horrible accident and is unable to go. Persuaded to take this trip alone, Sam finds herself caught in the middle of a deadly adventure of a lifetime. Will she make it out alive?

BOOK 2: Winds of Deception

Since returning home recently from her never-to-be-forgotten cruise vacation, Samantha Rite has been busy trying to catch up at work and settle back into her normal day-to-day routine. Little does she know her simple and quiet life is about to be thrown into turmoil as she has unknowingly become a pawn in a deadly game of deception. As she desperately struggles to make sense of it all, she soon realizes that someone she loves more than life itself is now in danger as well. Determined to do whatever is necessary to protect her loved ones, she vows to move heaven and earth to make sure they're safe!

Will Sam be able to weather the storm that's brewing on the horizon?

BOOK 3: Tides of Deception

Samantha Rite is about to embark on a life-changing journey when she and her daughter decide to move 1200 miles away from all that she's ever known to be with Lee, the love of her life. Just hours before the big move, with the moving truck packed and ready to hit the road, Lee and his best friend Donovan mysteriously disappear. Determined to find them, Sam enlists the help of her sister, and begins the long, perilous move to Florida. Once again, Sam finds herself frantically racing against time to save the one she loves. She soon discovers, however, the search has put her own life and the lives of others in danger. With an ocean of obstacles ahead of her, will she be able to keep her head above water or will the tides of deception prove to be too much?

Customer Reviews

It was certainly better to read the boxed set than to read each shorter story separately. That way it seemed like one lengthier book. However, the characters seemed more superficial and the plot more simplistic than other stories I've read by this author. Could also use some minor editing. I like the use of Scripture in the plot. It's still worth your time.

I like this author's later work much more so than this first series. She has definitely improved her technique. I actually didn't even finish reading the last book of this series, which is rare for me. I found that last book to really drag on in the end. If I actually missed a really great ending...my loss...but I doubt that I did.

I had trouble putting this book series down and have finally finished it. The three stories were actually one awesome story! I will buy more of Ms. Callaghan's books for my library. I am pleased with all of her books that I have read and HOPE there will many many more.

This trilogy is some of Hope's best work. It was compelling from the 1st page of the 1st book, to the end of the 3rd. I was glad it was all together because I couldn't stop reading! The plot twists were perfectly timed. I loved the ending too.

I really enjoyed reading these books. I love the way she includes everyday things and people to make it seem so real. I also enjoy no bad language in them-also good old fashioned romance. Patsy Cavender

Samantha's life wasn't turning out as hoped. But her life was in God's hands, so she knew God was in control. Her faith in God helped her after life knocked her down. Enjoy Samantha's journey.

I enjoyed this series very much. I liked the characters and the storylines. I especially liked that the main character was a Christian.

It kept me trying to guess who done it! Wanting to finish one book so I could get to next one
