Write Songs Right Now: Forget "Someday" - Start Today!

Synopsis

Write Songs Right Now! is a hands-on, step-by-step guide to creating original Pop songs - an approach that been road-tested by thousands of Alex's students and coaching clients in New York City, some of whom have gone on to achieve great success. With insight, enthusiasm, and humor, Alex guides listeners through the process of brainstorming for ideas, crafting effective lyrics, and putting those lyrics to music. Whether you've written 1 song or 100, this audiobook will show you how to take your songwriting to new levels. Each chapter lays out the basics of a different element of songwriting, including song form, lyrics, melodies, chord construction, song dynamics, and the essential ingredients of a killer hook. There are lots of fun exercises to strengthen your songwriting muscles and increase your confidence. Alex also encourages up-and-coming writers to participate in songwriting communities locally and online, and makes a strong case for collaborating as a way to generate even better material.
