AP[®] Microeconomics Crash Course Book + Online (Advanced Placement (AP) Crash Course)

Synopsis

REA's Crash Course for the AP[®] Microeconomics Exam - Gets You a Higher Advanced Placement[®] Score in Less Time

Crash Course is perfect for the time-crunched student, the last-minute studier, or anyone who wants a refresher on the subject. Are you crunched for time? Have you started studying for your Advanced Placement[®] Microeconomics exam yet? How will you memorize everything you need to know before the test? Do you wish there was a fast and easy way to study for the exam AND boost your score? If this sounds like you, don't panic. REA's Crash Course for AP[®] Microeconomics is just what you need. Our Crash Course gives you:

- Targeted, Focused Review - Study Only What You Need to Know

The Crash Course is based on an in-depth analysis of the AP[®] Microeconomics course description outline and actual AP[®] test questions. It covers only the information tested on the exam, so you can make the most of your valuable study time. Our easy-to-read format gives you a crash course in: basic economic concepts, consumer choice theory, supply and demand, production and costs, and more. The author also includes must-know key terms all AP[®] students should know before test day.

Expert Test-taking Strategies

Our experienced AP Microeconomics teacher shares detailed question-level strategies and explains the best way to answer the multiple-choice and free-response questions you'll encounter on test day. By following our expert tips and advice, you can boost your overall point score!

Take REA's FREE Practice Exam

After studying the material in the Crash Course, go to the online REA Study Center and test what you've learned. Our free practice exam features timed testing, detailed explanations of answers, and automatic scoring analysis. The exam is balanced to include every topic and type of question found on the actual AP[®] exam, so you know you're studying the smart way.

Whether you're cramming for the test at the last minute, looking for extra review, or want to study on your own in preparation for the exams - this is the study guide every AP[®] Microeconomics student must have.

When it's crucial crunch time and your Advanced Placement[®] exam is just around the corner, you need REA's Crash Course for AP[®] Microeconomics!

Customer Reviews

Can be used for AP as well as college level micro 101 course. Good book with great details and a few examples. Even a little back part for definitions, test review and tips. For AP, you can at least score a 3 with this book as long as you read it and memorize it. Very simple. The formulas can be a little confusing, especially if you were taught another way by your teacher/professor. Not hard to figure out though.

Really helped me prepare for the test in a hurry. I didn't take the class, just studied from this book and took a few online practice tests and got a 4. Basically the same as Macro, just more vocabulary. Solid book, would recommend this brand for any of the AP tests.

Since my teacher didn't have really good books to teach us from, he had us all buy this book as our main book to prepare for the exam. This book helped so much, throughout the year with AP micro and the AP exam. Fantastically written, most likely got a 4 or 5 on the exam due to this book. Any student would be crazy to not buy it for this class.

This book has been a great help in my quest to get 5 on the AP test. It has a great skeleton of all the topics that will be on the test and makes sure to cover some little details that can be the difference between a 4 and a 5. These books are great for any AP class and I recommend any AP uses this resource for the burden of that class will be greatly alleviated.

This book helped my son prepare for his exams, and he liked it better over other preparation books. I will recommend it.

The book prepared my child very well for the AP exam. I strongly recommend that you purchase the actual book and not the Kindle edition as I did. This gives you the freedom to sell the book back or give it away to someone else once you or your child are done with it. I am now stuck with two AP prep manuals that I can't do anything with!

My daughter is prepping for her AP exams this year and this book has been very useful.

Just what my daughter needed for her senior class
