A passionate demonstration of acting on the dream God placed in your heart and watching as it comes to fruition. The author revealed herself completely to her reading audience about the ups and downs that can come when you stand on faith and operate in obedience. This book is for more than those that desire to start a business, it is for all who desire to follow the lead of God.

This book is a must read! I keep it close--so when I need inspiration and motivation, I can get it. Linda shares her journey, holding nothing back! You will be treated to a behind-the-scenes account of her trials, tribulations and triumphs. It lets you know that all things are possible, if you have faith (and determination).

I have had the pleasure of reading each volume and had the opportunity to hear Ms. Smith present on the subject of which she is well versed. Anyone who can successfully navigate business, family and her faith can teach us all something. No one is immune from challenges, yet she shares with the reader in vivid fashion how to rise above the fray and stay pin point focused on the business at hand. A good read indeed!

Linda's book is authentic! There are so many challenges in running a business and she laid it out for the reader. A knowledgeable business woman who has survived in the tough business world. Business by Faith is more than about business, it is about all aspects that affect business and the personal life of a business owner.

Linda Smith shares both her business and personal journey in such a true and heartfelt way. The journal entries and the way that they are shared make it hard to put this book down. An inspirational journey of an amazing woman following her dream and calling through both hardships and successes. I look forward to reading more and encourage everyone else to do the same.

Mrs. Linda Smith I work with you every day and every day I am amazed at what you can do with God. The fact that your book went to #1 is no surprise to me. What is a surprise is that the rest of the world is just discovering how special a business woman (and woman of God) you truly are. I am blessed to work for you and Four-D College. Thank you.

THIS IS A WONDERFUL BOOK. I HIGHLY RECOMMEND IT.

Linda Smith is a powerful business woman who grew a very successful multi-million dollar business over the past 20 years in spite of many trials and tribulations. I guarantee that you will feel like you can do ANYTHING after you read Linda's inspiring story! Starting and growing a business is truly an act of Faith and there is no one more qualified to tell that story and share what she has learned than Linda Smith. Grab a copy of this book for yourself and then get 5 more to give away to your business colleagues!
