South-Western Federal Taxation 2012: Corporations, Partnerships, Estates And Trusts, Professional Version (with H&R Block @ Home™ Tax Preparation Software CD-ROM)

Synopsis

Packed with NEW "Financial Disclosure Insights" boxes, "Big Picture" tax scenarios, "What-If?" case variations, and more new end-of-chapter homework and test bank items than ever before, **SOUTH-WESTERN FEDERAL TAXATION 2012: CORPORATIONS, PARTNERSHIPS, ESTATES & TRUSTS** remains the most effective text for helping you master complex tax concepts and the ever-changing tax legislation. Renowned for its accessible, comprehensive, and time-tested presentation, the text provides thorough coverage of C Corporations, Flow-Through Entities, Family Tax Planning, and more, while highlighting materials of critical interest to the tax practitioner. Preparing you for the long term, **CORPORATIONS, PARTNERSHIPS, ESTATES & TRUSTS** offers many opportunities to sharpen critical-thinking and writing skills. Internet exercises tied directly to chapter research cases give you hands-on experience using online resources to solve tax issues. H&R Block At Home tax preparation software, CPAexcel's online CPA exam study tool, and Checkpoint from Thomson Reuters, and CPAexcel come with each new copy of this text to give your students professional experience with leading software! The 2012 edition has been fully updated to include the latest tax legislation at press time, and new updates are posted online as soon as the relevant tax law changes are in effect.

Customer Reviews

This is without a doubt the worst textbook I've ever used. I am no tax dummy having worked over 15 yrs. in this field but the examples in this book are horrible, and are very hard to follow due to their

layout. There aren't good examples showing completed tax forms as examples of what they are talking about (which are really helpful to visual people). I would rate this a 0 in my book and it needs to be redone. Also the software included with the book was junk and didn't operate correctly so I had to figure out a way to bypass all the goofy formatting problems on the software so I could actually complete a return properly.

It is very good but does not cover all topics I was looking for under corporate taxation but in general it is the best

This book helps keep up with the latest tax topics. A must for a practicing CPA. Worth it in every way!!

Perfect shape and arrived on time. Great book and great supplier. This book is great for learning about the tax environment of the United States and can help with the choice of the appropriate entity form to choose to minimize taxes.
