Waiting On Love: A Contemporary Christian Romance

Synopsis

Is it ever too late to do the right thing? Tanya Reeves dreamed of happily-ever-afters and a family that included a husband and children, but life rarely turns out as planned, which she discovered the hard way when she got pregnant in high school. For seven years, she has raised her daughter without a father, however, the dream never died. Scott Lamar never meant to abandon his daughter and pregnant girlfriend, but life happened, and college provided a means of escape. All that changed when he found faith in God, and now he wants to make up for his past mistakes. He concocts a plan that sounds crazy to most, but he pushes forward, determined to be a part of his daughter's life. Waiting on Love is a bonus Christmas novella in the Modern Convenience series. It can be read as a standalone, but you can read the story of Tanya's brother, Archer, in Calling Love.

Customer Reviews

Tanya & Scott were high school sweethearts, but went their separate ways after devastating news. Can they reconnect after seven years? This is a wonderful story of forgiveness & letting God work in

our lives. Sweet, sweet love story!

Great addition to a fun series. This is a stand alone and can be enjoyed even if you haven't read the others in the series but I highly recommend that you read the others too. Tanya and Scott share a past and a child. Can they share a future? Of course with the grace of God and the power of forgiveness they are rewarded for Waiting on Love! A story I will read again and again!

I have enjoyed reading this modern conveniences book series. Waiting on love dos not disappoint. The book speaks about forgiveness. It's something that's hard to do at times, but the reward is so freeing. Tanya and Scott's story is a sweet romance about a marriage of convenience with a happy ever after ending v

The hard thing we will ever do in our lives is forgive someone who has done us wrong but in forgiven we set our own soul free just maybe embrace what the Lord has for us when we do.
