Same And Different, Grades PK - K: Gold Star Edition (Home Workbooks)

Synopsis

Build essential skills while having fun with Home Workbooks! Now updated with fun, colorful pages and engaging art, each book measures 7" x 9.25" and is filled with 64 pages of age-appropriate activities, puzzles, and games. These teacher-approved books are perfect for home, school, summer breaks, and road trips! Skills covered include comparing and contrasting, visual discrimination, matching, fine motor, and more! An incentive chart and 140 full-color stickers are also included to help parents or teachers track student progress. Home Workbooks are available for prekindergarten through grade 3 students, and feature titles in a wide variety of skill areas to suit any need.

Age Range: 4 - 5 years

Grade Level: Preschool - Kindergarten

Customer Reviews

EXTREMELY DISSAPOINTED IN THESE BOOKS FOR THE PRICES I EXPECTED A FULL SIZE BOOK, INSTEAD THERE SMALL LITTLE MINIATURE BOOKS NOT EVEN THE SAME SIZE AS A PAGE. I WANTED TO USE THESE IN A BINDER BUT THEY ARE ABOUT HALF THE SIZE OF THE BINDER AND ARE UNABLE TO BE USED ;(NOT A REGULAR SIZE BOOK, HALF THE SIZE OF THE ONES I FIND AT THE DOLLAR STORE AND EACH ONE BEING ALMOST \$5.00 EACH IM EXTREMELY DISSAPOINTED.

Very good, but depending on your child's ability it may not be what you're looking for. I started looking at preschool things when my son was 2 for when he turns 3, this is a great book maybe for when he's 4. Nice activities and pictures.

It is fun, challenging but not too difficult for my 3.5 yr old. I am very happy that we can go through this book from the page 1 to the end because it's designed for PK-K only. I don't like those books that are designed for age 4-8, because it would be too difficult for a young child, and I have to constantly tell him that I am sorry, this page is too difficult, let's try the next page. That would be frustrating even for me. Moreover, who would work on the same book for 4 years! Anyway, I'm going to search more books from this series.

This is a wonderful book and my 3 year old enjoyed the activities. This is a great option to use if your child doesn't go to preschool but you want to get them used to "school."
