Habit 6 Synergize: The Habit Of Creative Cooperation (7 Habits Of Highly Effective People Signature)

Synopsis

Habit 6: Synergize is all about working with others to creating solutions that value other people as well as yourself. Dr Stephen R Covey explains how the synergistic position of high trust produces solutions better than any originally proposed. Instead of a transaction, it's a transformation; both parties get what they want and build their relationship in the process. In this in-depth exploration of Habit 6, listeners will hear Dr Covey teach how to value differences and thereby increase awareness, growth, and change. The result is that the whole enterprise moves upward, often in ways that no one could have anticipated. This is not pop psychology or simply a trendy catch phrase. Rather Dr Covey helps the listener examine the character attributes that lead to behaviours. By living with honesty, integrity, kindness, and other time-tested principles, listeners find the real keys to changing unwanted behaviours.
