# Modern Italian Grammar Workbook (Modern Grammar Workbooks)

## Synopsis

This is an innovative book of exercises and language tasks for all learners of Italian, which can be used independently or alongside Modern Italian Grammar. Divided into three sections, this highly useful text includes: exercises based on essential grammatical structures everyday functions practice such as making introductions and expressing needs realistic role plays in short scenes, set in a range of different contexts. Implementing feedback from its predecessor, this updated second edition features exercises graded on a three-point scale according to their level of difficulty and cross-referencing to the Modern Italian Grammar for each. Also containing a comprehensive answer key for checking progress, this is a complete reference work suitable for both class-use and self-study.

## Customer Reviews

The workbook is easy to use and understand. I am studying Italian with a teacher but wanted to learn more verbs and understand the grammar better and this book I am finding to be effective.

You need the text book to really get any use out of this workbook. And the textbook is very expensive. I should have known better. I will use it once I have a better grasp of the grammar from other tools.

A+
