OMG!!! What can I say about the third installment in this awesome series. While I hate that it has come to an end, but what a roller coaster ride. This author even had me feeling compassion for the villains of the series. While this was a fictional novel, there were so many messages from God woven beautifully in this explosive book!

Bless you young lady for telling your TRUTH. Let them judge you, but keep writing about your TRUTH. Absolutely loved this series. Come back with the young ones story. It will be interesting to

see which ones follow the Blanks men. Keep writing and I will keep reading. Smooches

This was a terrific series. I read the first book but after ordering 2 & 3 I hate to go back and read the first one again. That way I felt I was right on track. I would recommend to anyone who love to read. This is a super series. ! Well written!!

This was one of the best series that I have read in a while . The story line was wonderful it keepsyou in suspense all the way through each book. It has twists and turns and makes you want more. Thanks

I loved this book. I had a love disgust relationship with the characters. I know people are human but they should have been removed from their church positions years ago. Adultery, fornication, etc. We are flawed humans but as leaders of the church, you should strive to be better or at least apologetic.But...this is how some Christians operate so I really enjoyed how realistic the book was

I enjoyed the books and I definitely have to agree that, it's hard being a Christian at times and keeping the faith because life throws you all these different curve balls, but what I can also agree with, is that what the devil meant for evil, God always turns it into good as long as you stay prayed up.What annoyed me about the books were the typographical errors. It's most annoying, especially since the reading was so good. Who proofread these books, that they were able to overlook all those errors? That's the only reason why I'm only giving it 4 stars.

This series was a interesting one. Going to church doesnt make you perfect. You are still a sinner and if you dont have self control you will be in a lot of mess like the Blanks brothers. There are a lot of Harlot sisters out there. The devil is always looking to steal your blessing and be on constant attack. The way this story developed was good. How the Harlot family ended was sad but what else can you expect when you serve the devil and not God.

This trilogy was a wonderful, soul stirring, eye-opening read. I was moved from 1-3. This set will remain in my library. The lessons from the Word really touched me. Thank You, God, for turning my readings into lessons from you. Look forward to your other books. Love your writing.Church Whore 1-3 gets a 10+ and should be made into a movie.
