Selected Shorts: Baseball (Selected Shorts: A Celebration Of The Short Story)

Synopsis

Acclaimed actors from stage and screen perform tales from the baseball diamond in this newest, three-CD collection of stories from Selected Shorts. Both classic and contemporary works are featured, including a heartwarming piece on some fan habits during a players' strike, by W.P. Kinsella, and a sidesplitting account from T. Coraghessan Boyle of the longest game ever. Many of the readings were recorded during a historic broadcast of the show hosted by the late, beloved baseball commissioner A. Bartlett Giamatti. From the first pitch to the final out, these short stories are a lively listening experience.

Customer Reviews

I spend a lot of time in my car and enjoy baseball so I thought this would keep me entertained and awake during my drive. It started off slow with an explanation of how it came about, but once they got into the stories, I was laughing and remembering some of the best games and stories in baseball. It is really helping me get through the winter and my baseball withdrawals. It has a wide variety of baseball memorabilia - stories and poems and tidbits from spectacular games. If you are a true baseball fan, this is a must have.

This was absolutely wonderful! I have purchased several as gifts also and have heard rave reviews from all.

A delightful collection of poetry, short stories & essays celebrating the quintessential American sport. I never realized how lyrical and epic sports writing could be. With these often beautifully written works, the writers show themselves fully & consciously engaged in the wonder of life & existence.

All of my family & friends who are baseball fans (regardless of team loyalty, although I will say that most are Red Sox fans & the Sox feature prominently in these poems & essays) LOVED this CD as a gift.

This CD is a great collection of tales, short stories & essays celebrating the great American pastime and present, baseball. And if you are like my family, you spend a lot of time traveling in the car from one ball field to the next practice. We purchased this recent CD for a baseball coach who reports that his entire family is enjoying it as much as my crew. Another winner would be NPR Driveway Moments Baseball: Radio Stories That Won't Let You Go.
