Sherm The Germ

Synopsis

Baby play, baby play, all day, hooray! Suddenly! "aachoo! Sneeze, cough, boo-hoo! Shiver, rashy, fever, squirm, oh no! "Sherm the Germ! Baby's perfect day of play is interrupted by an unwelcome, microbial visitor! "Sherm the Germ. Written by a pediatrician and brought to life through playful illustrations, this fun, rhyming book describes the stages of becoming sick and then getting better. A perfect read-aloud for those wishing to get well soon or any budding physician, this board book uses a loveable character to teach readers on the basics of what it means to catch a cold or virus and how the healing process works.

Customer Reviews

Love the book. Bought it for my grandchildren. The rhyming words with the colorful illustrations make for a great story for kids.

Hilarious. I bought this along with some other children's books about germs for my boss. I call them "training materials" for our office space.

Board book- cute message!
