Customer Reviews

it doesn't have alot of excitement. and has no comedy to start out with. it has some good parts and it has some bad parts. nine out of ten people should like it

I loved this book. It's one of the best books I've ever read. No spoilers, but, there's a big surprise at the end.

Read this book because it l'd fun and awesome and good for gamers!!!!!! (Seriously read this book people it rocks)
